

TODAY AND TOMORROW: CONTINUING THE LEGACY

The Pickaway County Community Foundation must solidify our ability to deliver vital philanthropic services to our constituents; the Foundation is the philanthropic engine of Pickaway County. You know this because you are a donor and therefore, an essential part of the amazing work our Foundation has done since 2001. Through your generosity, the Foundation funds have given over more than \$3.8 million in grants and scholarships during the past seventeen years. To solidify the long-term sustainability of the Foundation and to ensure the continued and impressive impact of your giving, PCCF has developed the Advocate Program. This program is the fuel for our engine.

By participating in the Advocate Program, you are helping the Foundation grow faster improving the quality of life for all of Pickaway County. In addition to supporting the day-to-day operations of PCCF, this program also provides educational and training opportunities for professionals in the non-profit community, and gives our Foundation the ability to maintain its grants program.

Opportunities to participate in the program exist at all donation levels.

STEP OUT IN STYLE

On February 8th over 150 people enjoyed a night of fashion and fun at the first annual Step Out in Style event. Volunteer models modeled the latest styles from seven local stores treating attendees to 30 different outfits promoting dress from casual to formal.

Silent auctions items featuring every different style of purse imaginable were available and after the style show attendees enjoyed a live auction by guest auctioneer, Mike Freeman. Mike helped introduce a select group of bags including Michael Koors, Henri Bendel, Coach, Hobo, Brighton and Kate Spade for auction.

The highlight of the evening was a raffle that featured the Yeti Treasure Chest which was valued at over \$1,100 and included a Henri Bendel purse along with gift cards, and numerous other donations. The winner of this lucky Treasure Chest was Julie Chenoweth.

Thank you to all that joined us for this event and we are looking forward to doing it again next year. Watch your newsletter for the announcement of the 2019 date!

PCCF would like to extend a very special thank you to Crown Hill Golf Club for hosting our event this year!

Welcome, Jessica Mullins!

The Pickaway County Community Foundation would like to welcome Jessica Mullins to the Board. Jessica and her husband, Chris, have two children. Jessica is the Senior Vice President of Operations for The Savings Bank .

In addition to the PCCF Board, Jessica currently serves as a 4-H advisor, Wayne Township Zoning Board member, Rotary Board member and is active on various Rotary committees, and on the Circleville Turkey Trot Committee.

Jessica was interested in serving on the PCCF Board because of the multitude of organizations and individuals whose lives are touched by being a recipient of grants, scholarships or gifts from PCCF.

When asked about the impact PCCF has on the community, she responded "PCCF provides the local community with access to various philanthropic opportunities with such diverse funding areas. PCCF is building the connections to the opportunities for our community to grow and flourish. Without PCCF, there would be a true void in the hope for a prosperous future of our community". Jessica added "Before I joined the board, I did not realize the magnitude of the growth of the funds available and number of individuals that truly have a vested interest in the sustainability of our community. It is truly humbling to realize how many have come together for the better of our community and the future of the world as a whole."
