Randy Beach Honored at 2019 Leadership Roast

Randy Beach, former Superintendent of the Board of Developmental Disabilities, was the honoree at the 2019 Leadership Roast that was held on February 1, 2019 at Cook's Creek Golf Club. This roast is sponsored by the Pickaway Competitive-ness Network Leadership Fund, a fund of the Pickaway County Community Foundation.

Beach, this year's recipient was "roasted" by peers and friends, Dan Bradhurst and Jan Long and Developmental Disability employee, Marie Wilbanks.

The PCN Leadership Committee hosts the roast as a fundraiser for the fund to offset the cost of putting on the Pickaway Leadership Fellows program. The person roasted chooses three organizations to share the profits of the silent auction items that were auctioned during the evening. Randy chose the PCN Leadership Fund, the Pickaway County Imagination Library Fund and the F.A.N.S. Network.

PCN Education Support “Kindness”

The Pickaway Competitive Network Education Fund provided a grant to the Pickaway Board of Developmental Disabilities to support the “One Book, One Community” involvement in spreading kindness throughout Pickaway County.

The initiative encouraged the reading of the book “Wonder” by R. J. Palacio. However, beyond just promoting the reading of the book, the Board of Developmental Disabilities partnered with PCCF and the Pickaway County Library to promote logo contests, percept challenges, and kindness story times.

Through this involvement others have joined forces and are providing “buddy benches” and community cupboards.

Help spread the kindness message in Pickaway County!
